**PRESENT** Clrs Bentley, Keates, Davies, T Morgan, Phillips, Morgan-Evans, Rippin, Woodier, R Morgan, Evans, Catley (\*see below) and Cty Clr Jones. Clr R Morgan chaired the meeting.

**APOLOGIES** None

### **CO-OPTION OF NEW COUNCILLOR**

Two candidates had put their names forward for co-option: Mrs G Meyrick and Mr R Catley. Both were present at the meeting. A secret ballot was held and Mr Catley\* was duly co-opted as a councillor. The Community Council now had a full complement of eleven councillors.

### **COMMENTS/QUESTIONS FROM MEMBERS OF THE PUBLIC**

Members of the Crucorney Environmental Group were in attendance and at the request of the Chairman, they voiced their concerns that their voluntary litter-picking scheme was receiving a lot of criticism from residents in Cwmyoy and the surrounding area.

There was criticism over the design, colour and number of signs which had been placed in the area as well as the orange litter bags which were there to receive the rubbish.

There was a lively debate among councillors over the issues raised with some support for the views of those who had complained about the litter-picking 'system' to the exact opposite with one comment describing the complaints as unfair and unjustified criticism of volunteers in the community who were doing a good job.

The overall, large majority of councillors, however, felt that the present system which has the backing of Monmouthshire County Council, KWT, Pontypool Community Council, Usk Town Council, Abergavenny Tourist Board and the Landmark Trust should be allowed to continue unhindered but should be monitored to see how successful it turns out to be.

The CEG also agreed to look at a reduction in the number of signs put out although there were various estimates as to how many signs were actually out there depending on whether one was for or against the system in place.

Moreover, according to figures supplied at the meeting, there was a lot of support from the local community in general on social media for what the area's volunteer litter-pickers were doing for the environment.

## **FINANCIAL REPORT**

Current A/C £400 Reserve A/C £12,130.74 (both as at 5 February 2019)

Unpresented cheques not included in the above figures totalled £1375.84 at this time.

Further cheques to be issued imminently totalled £3059.99 (Sports Equipment Storage Shed for Primary School/Clerk's Salary/Merlin Waste).

Further outgoings would be the new gate with disabled access together with a concrete ramp for the children's play area plus tennis equipment, pop-up goals, badminton nets and a springboard for the primary school. There would also be a bill for c. £600 for the new Hall lease. The latter items would cost approximately £2930.

With all the above taken into account, the estimated end-of-year balance would be approximately £5000.

The **MINUTES** of the previous meeting were confirmed as a true and accurate record.
