### **MATTERS ARISING FROM THE PREVIOUS MEETING**

1. The CPR/Defibrillator Training Session was confirmed as the 17 November at 7.30 p.m. at Pandy Hall. Notices of the event had been posted well in advance and reminders had also been publicised.
2. Groes Lwyd Road. Clr Bentley declared an interest. It was reported that efforts were being made to re-arrange an on-site meeting near Dan y Bwlch Farm with representatives of Monmouthshire County Council. Some patching work had already been done on the road above the farm but further down had been made difficult by poor drainage and a build-up of mud. Questions had been asked as to why the road up past Trewyn had been maintained by MCC but Groes Lwyd Road down past the farm had not. As yet, no satisfactory answers had been given by MCC.
3. Town and Community Councils had now had sight of a suggested new contract which could be agreed between them individually and Merlin Environmental Services re the removal of dog waste. The contract seemed to provide some stability to the process and offered every possibility of a successful outcome.

4. No progress re the pavement through Llanvihangel Crucorney and the manhole cover at the southern end of the village.
5. It was decided to continue with virtual meetings through the winter months.
